

The background of the poster is an abstract artwork. It features thick, expressive brushstrokes in shades of blue, grey, and black. Interspersed throughout the artwork are various pieces of torn, aged paper with handwritten text in different colors and fonts. Some of the visible text includes "Where are you?", "asked", "n's extension", "i", "said quietly", "just relax.", ". It's all right,", "found out", and "does play".
